📌  [malindhamsara](#)

Summary

Enthusiastic and dynamic individual with a passion for computers and web development. Skilled in creating websites and solving technical problems calmly and efficiently. Adaptable and resourceful, I thrive in challenging situations and consistently deliver results without stress. Eager to contribute my expertise and positive attitude to any team.

Education

University of Sri Jayewardenepura

3.7 GPA
Bachelor in Information and Communication Technology
March 2024 - Present

Ananda College

2.5 Z Score
G.C.E. Advanced Level

Projects

Beauty of Cloud Website

Designed and launched a captivating landing page to effectively showcase the project "Beauty of Cloud", which is initiated by the Computer Society Chapter - IEEE of the University of Sri Jayewardenapura. Utilised Next.js and React to deliver an elegant, fast-loading, and responsive user experience.
